## Plentiful Produce

The growing season is in full swing. Not only is the produce in your meals local, but FRESH too! Special thanks to Ransom Family Farm, who has been donating fresh herbs every week! We have many other incredible local farm partners that help make it so your food is fresh and delicious!

## Notes from our team

Project Fresh coupons have all been distributed for Houghton County. A waiting list is now in place in case additional funds become available this season. Coupons still exist for Keweenaw County. If you live in Keweenaw County and are interested in receiving the coupons but having difficulties applying online, please call McKenzie at the Meals on Wheels office.

## Geek UP

Black Ice Comics is hosting Geek UP on Saturday, September 27 at Michigan Tech. Families and friends are invited to enjoy all things comics, and proceeds are generously being given to Meals on Wheels!
